

FOCUS HP T 230V

(This Fixture has been discontinued)

The Focus HP T 230V is a 6 watt, compact zoom fixture that is perfect for use in museums and galleries. It has a very precise and stepless zoom range from 13° to 65°, and features local dimming through the use of CLS Magno Dimming. This makes it an ideal programmable lighting solution that can be tailored to meet the specific needs of any space.
