

MIKA COLOURFLOW & TUNABLE WHITE

The Mika is a rotatable and tilting LED downlighter that offers a large choice in LED lighting sources and easy interchangeable optics. Create beautiful atmospheres with the ColourFlow technology. The Mika also has a tilt angle of no less than 43°, making it ideal for illuminating objects and walls. It is mains dimmable and has 1-10V, DALI, DMX512 & Casambi Bluetooth dimming options available.
