

RUBY PENDANT COLOURFLOW

The Ruby Pendant ColourFlow lighting fixture is a 45-110 watt, RGBW colour changing downlighter with a CNC cut massive aluminium housing for optimal heat dissipation of the LED. This product is perfect for those who want to change the mood in a room or alter the colour of objects. It is both horizontally and vertically adjustable with interchangeable optics. The 40° lens is fitted as standard, but other lenses are available.
