

## REVO BASIC

The Revo Basic is a 20W, IP67-rated outdoor lighting fixture that features a massive CNC-cut aluminium housing and configurable options. This fixture is perfect for façade lighting, gardens, landscapes, and other applications where a compact light with high output is desired. With interchangeable optics and lenses, the REVO Basic can be customized to meet the needs of any application. And thanks to its sustainable design, this fixture will never become outdated.
