

REVO COMPACT BASIC DMX

The Revo Compact Basic DMX is a 10 watt, IP67 surface mount fixture that is CNC cut from massive aluminium. Dimming is easy via DMX512. This versatile fixture can be used for façade lighting, gardens, landscape, (art) objects, accent lighting and all other applications where a compact fixture with a surprisingly high light output is required. The sustainable design makes it future-proof; as all parts are easily interchangeable, the Revo Compact DMX will never be outdated.
