

REVO COMPACT BASIC MAGNO

The Revo Compact Basic is a 10 watt, IP67 surface mount fixture that is CNC cut from massive aluminium. Dimming is fast and easy with the CLS Magno Dim technology. This versatile fixture can be used for façade lighting, gardens, landscape, (art) objects, accent lighting and all other applications where a compact fixture with a surprisingly high light output is required. The sustainable design makes it future-proof; as all parts are easily interchangeable, the Revo Compact will never be outdated.
