

TOPAZ WALLWASH

The Topaz WallWash is characterized by a particularly even beam with a very limited intensity difference in the light image. Thanks to an ingenious optical invention by the CLS R&D team, the Topaz WallWash offers beautifully framed straight beams on the sides, making it easy to create an even image across a wall. To minimize unwanted annoying scattering of the light on the ceiling and on the floor, the Topaz WallWash is designed with an ingenious top hat, with which illuminators can variably determine the "cut off" of the light beam.

> Specifications

Type	Topaz WallWash, Max. 15 Watt track spot
Colour	Black, white
Material	Coated aluminum
Weight	520 gram
Swivel	360° horizontal
Optics	Asymmetrical beam
Light source	Bridgelux or Xicato
Light output	560 lumen
CRI	~90, ~98
LED colours	2700K 3000K 3500K 4000K
Power consumption	Max. 15 Watt
Power supply	100~240 VAC
Driver	Driver included Driver internal
Dimming	Mains dimmable DALI Casambi Local Dim + Casambi
Connection	Track adapter
IP rating	IP 20
Protection class	1
Certifications	CE
Lifetime	50.000h

LB Value L90B10 at 50.000h
Warranty 5 years

Remarks The dim value can simply be adjusted via Mains Dim, DALI or Bluetooth by Casambi. Horizontal and vertical locking possible.
